- Progressives in Fresno need a strategic plan for electoral victory in 2016.
- We need to continue building a labor/community alliance (like when we defeated Measure G – the mayor's sanitation workers privatization effort).
- Increasing voter registration, Getting Out The Vote and campaign finance reform are essential elements for improving the democratic process.
- We should increase the minimum wage to \$15 an hour.

With Your Membership Progressives Can Win Big in 2016!

Let's raise the minimum wage, let's elect a progressive majority to the Fresno Unified School District, and let's elect progressives to the Fresno City Council and the Fresno County Board of Supervisors. And let's elect a progressive mayor of Fresno.
