Please use no more than 100 words to respond to the following:

1. Do you support publicly funded universal preschool?

Yes

2. What will you do to help ensure adequate funding for music and art programs at all primary and secondary levels?

I will be a vocal advocate for these programs and ensure that any votes related to such will be made with their protection in mind.

3. Please describe how you will improve the quality of education (in the district for which you are running)?

Students need to see the SCCCDC as a viable option out of highschool whether trade or academic. I will fight for better wages and benefits for our adjunct professors.

The safety of our students comes first. We need to ensure that students are provided the tools they need to succeed, including internet access.

I will work to find funding to increase the amount of counselors, social workers and nurses we have on campus.
