From: Sal Quintero, Supervisor for District 3, Fresno County Board of Supervisors

Dear Lourin:

Thank you for taking an interest in my campaign for re-election and the questionnaire you forwarded to me for my consideration.

As I am sure you are aware, other organizations have similar procedures to receive their support and endorsement. While I do consider them on a case-by-case basis, I have always been reluctant to respond to complex issues with a simple "Yes or No" when it comes to people in our community.

I have served the Fresno Community for over 20 years at both the Fresno City Council and now at the Fresno County Board of Supervisors. I am proud to say that my record speaks for itself. I have always been a strong voice for those less fortunate, working families, elderly and the children in our community. My steadfast support of Labor organizations is documented and speaks for itself.

I have always believed that where there is "a will there is a way" when it comes to wages and services and always be willing to bring the parties together for the health and well-being of our community.

Once again, thank you for the opportunity.

Sincerely,

Sal Quintero, Supervisor  
Fresno County Board of Supervisors, District 3
